Dear Parents,

Welcome to the Boys Lacrosse Boosters. Each year the booster organization works in conjunction with the Lacrosse Coaches to ensure a safe and successful season both on and off the field.

Each parent is encouraged to participate in the Booster meetings, which are generally held once a month. These meetings discuss the annual fundraiser, the EXPO, the banquet, apparel sales, concession stand coverage, upcoming tournaments, and indoor skills sessions that are conducted.

We are always looking for new ideas, please join us.

Visit the Central Square School District website for updates on meeting dates and times.

We look forward to seeing you.

Sincerely,

Tina Craig

Tina Craig, President
